

WE ARE LOOKING FOR A

WORKING STUDENT

(Starting Immediately / temporary for 12 months/ flexible 80-100%)

STOXX Ltd. is a global index provider, currently calculating a global, comprehensive index family of over 6,500 strictly rules-based and transparent indices. Best known for the leading European equity indices EURO STOXX 50®, STOXX® Europe 50, and STOXX® Europe 600, STOXX Ltd. maintains and calculates the STOXX® Global Index family which consists of total market, broad and blue-chip indices for the regions Americas, Europe, Asia, and Pacific, the sub-regions Latin America and BRIC (Brazil, Russia, India, and China), as well as global markets.

The STOXX Index Team is responsible for the review, production, and delivery of the above-mentioned indices, as well as for the SIX Swiss Exchange Equity (SMI family) and the Bond (SBI family) indices.

For our headquarters in Zurich, Switzerland, we are currently looking for a working student.

JOB DESCRIPTION

As part of the STOXX Indexteam the successful candidate will:

- » Implement quarterly index reviews in accordance with STOXX's methodologies and regulatory requirements
- » Contribute to the set-up, administration, and management of indices.
- » Market and company research on index specific topics
- » Use of financial tools (Bloomberg, Reuters etc.) for research and data queries
- » Maintenance and optimization of current existing processes
- » Participation in test development and execution for a new index calculation platform and other team projects

PROFILE

The successful candidate should:

- » Be pursuing a masters degree or in the final year of studies for a bachelor degree in finance, mathematics, economics or IT
- » Have the ability to work autonomously, demonstrating initiative attention to detail and respect for deadlines
- » Have a good understanding of the financial markets
- » Possess strong research and IT skills (Microsoft Office)
- » Access and VBA programming skills would be a plus, ideally combined with database knowledge and SQL.
- » Have a solid command of written and verbal English; German and other languages is highly advantageous, but not required

This is an excellent opportunity for the right candidate to gain her or his own financial market experience in a dynamic and international team.
