About STOXX Limited

STOXX Ltd. is a global index provider, currently calculating a global, comprehensive index family of over 3,700 strictly rules-based and transparent indices. Best known for the leading European equity indices *EURO STOXX 50*, *STOXX Europe 50* and *STOXX Europe 600*, STOXX Ltd. maintains and calculates the *STOXX Global Index family* which consists of total market, broad and blue-chip indices for the regions Americas, Europe, Asia, and Pacific, the sub-regions Latin America and BRIC (Brazil, Russia, India and China), as well as global markets.

STOXX indices are classified into four categories to provide market participants with optimal transparency: "STOXX", "STOXX+", "iSTOXX" and "STOXX Customized". STOXX's standard indices are branded "STOXX", all indices that replicate investment strategies and themes, but still follow STOXX's strict rules-based methodologies, are categorized as "STOXX+". The "iSTOXX" brand comprises less standardized index concepts that take into account individual customer and market requirements but are still completely rules-based. "STOXX Customized" covers indices that are specifically developed for clients and are not STOXX branded.

The STOXX indices are licensed to over 400 companies around the world as underlyings for Exchange Traded Funds (ETFs), Futures & Options, Structured Products and passively-managed investment funds. Three of the top Exchange Traded Funds (ETFs) in Europe and 30 percent of all assets under management are based on STOXX indices. STOXX Ltd. holds Europe's number one and the world's number three position in the derivatives segment.

In addition, STOXX Ltd. is the marketing agent for the indices of Deutsche Boerse AG and SIX Group AG, amongst them the DAX and the SMI indices.
