

Information to FWB-listed companies that are domiciled outside of the EU/EFTA

(ZUG, May 2026) STOXX Ltd. herewith makes available the template that companies domiciled outside of the EU/EFTA shall use for the purpose of disclosing the country of residence of the members of their executive management in accordance with section 5.5.1. of the DAX Equity Index Methodology Guide. This disclosure must be published annually on the company website and updated without undue delay throughout the year in case of changes to the country of residence of members of the executive management, or changes to the composition of the executive management. The parts in square brackets are to be completed by the company.

Template for disclosing the country of residence of each member of the company's executive management

[COMPANY] herewith discloses the country of residence of each member of their executive management:

Name	Function	Country of residence
[Full name 1]	[Function 1]	[Country of residence 1]
[Full name 2]	[Function 2]	[Country of residence 2]
[...]	[...]	[...]

[COMPANY] confirms that it will disclose without undue delay any changes to the country of residence of members of the executive management, or changes to the composition of the executive management.

DISCLAIMER

STOXX Ltd. (STOXX) and ISS STOXX Index GmbH (together "STOXX") and their licensors, research partners or data providers do not make any warranties or representations, express or implied, with respect to the timeliness, sequence, accuracy, completeness, currentness, merchantability, quality or fitness for any particular purpose of its index data and exclude any liability in connection therewith. STOXX and their licensors, research partners or data providers are not providing investment advice through the publication of indices or in connection therewith. In particular, the inclusion of a company in an index, its weighting, or the exclusion of a company from an index, does not in any way reflect an opinion of STOXX or their licensors, research partners or data providers on the merits of that company. Financial instruments based on the STOXX® indices, DAX® indices or on any other indices supported by STOXX are in no way sponsored, endorsed, sold or promoted by STOXX or their licensors, research partners or data providers.

DAX® TRADEMARKS

The DAX® indices, the data included therein and the trademarks used in the index names are the intellectual property of ISS STOXX Index GmbH and/or its licensors are subject unreservedly to the applicable trademark law in each case and are not permitted to be used without the express permission of ISS STOXX Index GmbH or

STOXX

another registered owner. The simple fact that the DAX® website mentions them does not imply that trademarks are not protected by the rights of third parties. The use of the DAX® indices and other indices, calculated by STOXX Ltd., as well as the use of the respective index data for financial products or for other purposes requires a special license.

About STOXX

STOXX® and DAX® indices comprise a global and comprehensive family of more than 18,000 strictly rules-based and transparent indices. Best known for the leading European equity indices EURO STOXX 50®, STOXX® Europe 600 and DAX®, the portfolio of index solutions consists of total market, benchmark, blue-chip, sustainability, thematic and factor-based indices covering a complete set of world, regional and country markets. STOXX and DAX indices are licensed to more than 550 companies around the world for benchmarking purposes and as underlyings for ETFs, futures and options, structured products, and passively managed investment funds. STOXX Ltd., part of Deutsche Boerse Group, is the administrator of the STOXX and DAX indices under the European Benchmark Regulation.
