DAX File names publicly available on the web to integrate Index Symbol as file naming convention as of February 20th, 2023

Dear Customer,

STOXX Ltd., the operator of Qontigo's index business and a global provider of innovative and tradable index concepts, today announced that DAX files publicly available on the web will observe a name change to reflect the introduction of the Index Symbol in the file naming convention as of February 20th, 2023. The introduction of Index Symbol in the DAX file name publicly available aims at providing standardized information per index and will be generalized in the course of 2023 to any index file subject to DAX Licenses.

Overview of the DAX publicly available file name changes

The DAX publicly available files names will contain the newly introduced index symbol. The Index Symbol is available in the DAX Vendor Code Sheet under [Index Data & Resources > Index Data > General > Data Vendors code](#)
