

PAWEL JANUS

HEAD OF UBS PASSIVE AND ETF INVESTMENT ANALYTICS, EXECUTIVE DIRECTOR

Pawel Janus is the Head of UBS Passive & ETF Investment Analytics Team, where he is responsible for overall analytical and research activities around passive investments, including ETFs and Index Funds. He joined UBS back in 2011 and currently is based in Zurich, Switzerland.

His most recent activities focus on passive solutions (smart indexation, hedging methodologies, factor models, optimisation measures, performance attribution etc.) covering latest indexbased developments like factor-based strategies, ESG investments, thematic investments, fixed income, emerging markets, and others.

Pawel holds a Ph.D. degree in econometrics. He has published his research in academic peerreviewed journals including Journal of Business & Economic Statistics, Journal of Financial Econometrics or Journal of Empirical Finance. He is a frequent speaker at various conferences and seminars.
