# BREXIT: SUPPORT FOR STOXX AND DAX INDICES

Deutsche Börse Group is closely monitoring Brexit processes, engaging with regulators and governments and will strive to take all necessary measures to mitigate the impact on existing business relations.

To support our customers in their efforts, Deutsche Börse Group has established a Brexit Transition Team to guide and assist you through any required preparations. With a view to maintaining access to our services for UK customers, we are in contact with relevant regulators to discuss applicable regulatory requirements post-Brexit and to prepare accordingly.

We encourage our customers to plan with all scenarios in mind, mindful that the future relationship between the UK and EU, in particular the legal framework for cross-border financial services, is yet to be agreed. Lacking a ratified withdrawal agreement between the UK and EU, all EU law will cease to apply in the UK from 31 October 2019 (the planned Brexit day) and the UK will then become a "third country" with legal repercussions as set out in notices of the EU Commission published on 8 February 2018<sup>1)</sup>.

Should you have any questions, don't hesitate to contact your key account manager, the Customer Support team ([customersupport@stox.com](mailto:customersupport@stox.com)), or our Brexit Transition Team ([brexit-support@deutsche-boerse.com](mailto:brexit-support@deutsche-boerse.com)).
