(b) List of social factors considered	UN Global Compact Violations	Exclusion	
	Business Involvement – Controversial Weapons	Exclusion	
(c) List of governance factors considered.	UN Global Compact Violations	Exclusion	
Description of factors considered.	UNGC Violations: Sustainalytics' Global Standards Screening provides an assessment of a company's impact on stakeholders and the extent to which a company causes, contributes or is linked to violations of international norms and standards (UNGC, OECD, UNGPs and their underlying conventions).		
	involvement in the following areas: anti-personnel mines, biological and chemical weapons, cluster weapons, depleted uranium, nuclear weapons and white phosphorus weapons.		
	More detailed information on the application of these categories is available within the relevant methodology guides. https://www.stoxx.com/rulebooks		
Item 7. Data and standards use	ed set		
(a) Data input.	The data are sourced externally from:		
	(i) Sustainalytics, a wholly owned subsidiary of Moriningstar Inc. https://www.sustainalytics.com/		
(b) Verification and quality of data.	The verification and quality of data are checked both externally and internally by automated and manual quality assurance processes involving, inter alia, change control; change mapping; ID mapping; exception reporting; pre-publication reviews; continuous incident monitoring; quarterly rebalancing and centralised definitions.		
(c) Reference standards	UNGC Violations: The United Nations Global Compact (UNGC) Principles, the Organisation for Economic Cooperation and Development (OECD) Guidelines for Multinational Enterprises, the UN Guiding Principles on Business and Human Rights (UNGPs), and their underlying conventions.		
	Controversial Weapons: International treaties and conventions used to define Controversial Weapons include Non-proliferation Treaty (1968), Biological and Toxin Weapons Convention (1972), Chemical Weapons Convention (1997), Anti-Personnel Mine Ban Convention (1999), Convention on Cluster Munitions (2008), United Nations Convention on Certain Conventional Weapons (1980), and Convention on the Physical Protection of Nuclear Material (1980).
