DAX Underlying Data Announcement Files solely published on the New Index Data Distribution System as of March 8th, 2024

Dear Customer,

STOXX Ltd. today announces that, following the [Technical Migration of DAX Indices announced on March 2023](#) and the announcement regarding the [discontinuation of publication of DAX files on MD+Si](#), DAX Underlying Data Announcement Files will be solely published and maintained in the New Index Data Distribution System **as of March 8th, 2024**.

The above information is aligned to what was previously announced on page 7 of the [DAX Selection Lists and Review Files – New file name and format change](#) announcement on October 2023.

For more information on the new iSFTP folder structure, please refer to the [DAX iSFTP structure effective November 1st, 2023 announcement](#) as well as to the iSFTP Technical Guide available at stoxx.com/technical-documentation.

Finally, please also refer to the [list of files to be decommissioned as part of this Technical Migration to the New Index Data Distribution System](#).

For more information on the DAX indices, please visit www.qontigo.com
