Change in delimiter on Vendor Code Sheet and Index Reports Links files effective on May 13th 2024

Dear Customer,

STOXX Ltd., the operator of ISS STOXX index business and a global provider of innovative and tradable index concepts, announces today that there will be a change in the delimiter of the "Vendor Code Sheet" and "Index Reports Links" files available at stox.com/data-vendor-codes

These files will transition from having a comma (,) to a semicolon (;) delimiter **effective on May 13th 2024**.

For more information on the STOXX indices, please visit [STOXX.com](https://stox.com)
