Index Name Change- eb.rexx Bond Indices to become STOXX ICE German Government Bond effective as of December 1st, 2026

Dear Customer,

STOXX Ltd., the operator of ISS STOXX index business and a global provider of innovative and tradable index concepts, today announced, that the **eb.rexx Bond indices will have an index name updated to STOXX ICE German Government Bond indices effective as of December 1st, 2026.**

The name change reflects the current index operating model and does not affect the objectives, construction, eligibility criteria, calculation methodology, ISINs, symbols, or historical performance of the indices. Clients are encouraged to review and update any references to reflect the name change in any product documentation, factsheets, marketing materials, and internal systems where applicable.

The updated methodology guide will be published in November 2026 and will become effective with the implementation of the month-end November 2026 monthly review, effective December 1st 2026.

The List of impacted indices is provided hereafter and is available in the Vendor Code sheet published on the official STOXX website under <https://www.stoxx.com/data-vendor-codes>.
