Real Time Feed – ECPI Equity, Decrement, Risk Control and Hedged indices to be disseminated via Deutsche Boerse CEF as of December 21st, 2026

Dear Customer,

STOXX Ltd., the operator of the ISS STOXX index business and a global provider of innovative and tradable index concepts, announces the real-time dissemination of **ECPI Equity, Decrement, Risk Control, and Hedged Indices via Deutsche Börse CEF, effective December 21st, 2026**. This Announcement is pursuant to the Announcement related to the ECPI Indices [Migration - ECPI Equity Indices to be calculated by STOXX effective December 21st, 2026](#), available on www.stoxx.com and published on June 12th, 2026.

Effective December 21st, 2026, the ECPI Equity, Decrement, Risk Control, and Hedged indices will be officially disseminated **via Deutsche Börse CEF as part of the CEF Product 6049 STOXX DAX ESG & Thematic Indices, with the source code STX**. The list of affected indices is available in Appendix 1 of this Announcement.

For the convenience of our clients and data vendors, the dissemination of ECPI Equity, Decrement, Risk Control and Hedged indices via Deutsche Börse CEF will be available in the **Simulation Environment as of Monday, October 5th, 2026**, providing access to the simulated index values following the methodology change effective December 20th, 2026, and enabling data vendors to fine-tune their systems before the official go-live on December 21, 2026. The simulation environment will be available **until November 6th, 2026**. Further information regarding the Deutsche Börse CEF Simulation Environment will be provided at a later stage.

To ensure uninterrupted data access, clients are strongly recommended to review their current entitlements and ensure they are subscribed to the relevant Deutsche Boerse CEF **Product 6049 STOXX DAX ESG & Thematic Indices**.

While Deutsche Boerse **CEF Product 6049 STOXX DAX ESG & Thematic Indices** can be ordered within MD+S Interactive, should you require entitlement support, please contact mds.agreements@deutsche-boerse.com. In case you should have any questions regarding Deutsche Boerse CEF data feeds, please do not hesitate to contact the Functional Operations Team at +49-(0) 69-2 11-1 15 40 or via e-mail to datafeeds@deutsche-boerse.com.

The overview of Deutsche Boerse CEF Product applicable to ISS STOXX Indices is available in Appendix 2 of this Announcement. For more information on the STOXX indices, please visit www.stoxx.com
