Decision

STOXX decides to implement the following changes to methodology of the ECPI Fixed Income Indices, effective December 1st, 2026:

New Framework effective December 1st, 2026

Adoption of ISS ESG Ratings and related scoring measures

Adoption of ICE Data Indices (IDI) index calculation procedures and maintenance processes

Final index methodology will be published by mid-October 2026 and will become effective December 1st 2026.
